033.25 Apologies

Councillor A Burden received after the meeting family commitments

034.25 Stanton Parish History Project

Members were very grateful to Tony for attending the meeting to give an update on the Parish History Project and particularly the details for the Exhibition and Engagement event to take place in the Village Hall on June 14th. There will be a morning and an afternoon session and it is hoped that local residents and visitors will attend.

The Project hopes to achieve personal anecdotes about life in the Parish whether it is recent stories or going back over generations. The aim is to share this historical record with everyone and preserve it for the future.

There will be displays – maps, 1939 Tithe Map, Census records, 1939 Civil Register, collected Census records (1841 to 1921) and Stanton's Military Heroes.

There will also be demonstration and presentations – Census records online, alphabetic surname Census records, comparative mapping (eg 1880s and satellite photos) and Aerial photos.

037.25 West Mercia Police

A newsletter had been received which reported on the work of the SNT in the area. The Clerk was asked to contact the Police Officer to request a visit to the Parish Council meeting and to enquire if the mobile police station will be visiting in the near future.

038.25 Parish Matters

a) Stanton Village Play Area

It was agreed that additional maintenance will be required to 'tidy up' the area, this includes the area of planting near to the highway.

b) Roads and Potholes

There has been some recent work undertaken to improve the roads around the Parish, although some of the worst areas have still not been repaired. It is important to add photographs of the offending areas and potholes when submitting a Fix My Street request as this appear to get actioned quicker.

c) Hidden Road Signs

The Parish Council has purchased a suitable hedge cutter and Councillor Yeadon offered to cut hedges where the road signs are hidden.
