WHAT'S HAPPENING

Queen's Platinum Jubilee

Stanton Upon Hine Heath Parish Council is inviting all residents to an afternoon of celebration and thanksgiving for the services of HRH The Queen over an amazing 70 years. The date for your diary is Saturday 4TH June 2022

The afternoon will start with a service at the Church, followed by a Procession to the Village Green. There will be a Street Party, including entertainment and games and in the evening, we hope that the celebrations will continue. We have applied for road closures to make the area safe throughout the events.

We are in the early stages of planning the day but we wanted you to have the date in your diaries at the earliest opportunity. More information will follow.

If you have ideas that you would like to be included for consideration, please email Katrina at clerk@stantonparishcouncil.org.uk

GO(O)D THINGS COME TO THOSE WHO WAIT

Easter falls on Sunday 17th April this year, which means it is almost as late as it can be (the latest possible date for Easter in the church calendar is 25th April). This means that we're only JUST entering into the season Lent at the beginning of March. Usually people have been busy scoffing pancakes sometime in February, but this year we've been waiting.

I wonder if you're someone who's good at waiting for things? Are you a patient person?

Maybe you're always in a rush. Perhaps you become frustrated when others aren't ready. Or, like me, you can't wait for COVID to ride off into the sunset.

When I'm feeling a lack of patience, I remind myself of a verse from the Old Testament, from the prophet Isaiah:

"But they who wait for the LORD shall renew their strength; they shall mount up with wings like eagles; they shall run and not be weary; they shall walk and not faint." (Isaiah 40:31)

Waiting on the Lord means putting our hope and trust in God. It means remembering that, even when things aren't right now, we can rely on him.

This Lent, I invite you to join us at St Andrew's to learn more about how waiting on God can transform your life.

May God's blessing rest upon you.

Did You Know.....that 100 years ago in March 1922 -The Civil Aviation Authority (CAA) is established. An explosion at a Dudley Port (Tipton) factory kills nineteen girls aged 13–15 years employed on dismantling explosive cartridges under dangerous working conditions and the the US Navy commissions its first aircraft carrier, a converted collier, the USS Langley.

Could you make a difference to the safety of the roads in your community?

With Community Speed Watch now in its eighth year of operation within West Mercia, local communities are being reminded about the scheme and how volunteers can get involved in speed monitoring and improve the quality of life in their area if speeding traffic is causing concern.

Community Speed Watch is a community driven road safety initiative, coordinated by West Mercia Police but managed and run by volunteers in the community. It involves trained volunteers from the community monitoring the speeds of vehicles with approved, hand-held speed measurement devices. Where vehicle speeds are found to be inappropriate, a letter is sent to the registered keeper by the police with the aim of encouraging them to reduce their speed when driving in the future.

QR Codes

QR Codes are increasingly used in all sorts of places to give us extra information, direct us to surveys, allow us to order items etc.

Please be aware that some criminals are replacing a legitimate QR code with a scam code, that gives them access to the personal info on your phone, payment details, etc.

Look out for a sticker QR code placed over a legitimate one or the QR code leading you to a site that is not identical to the one you were expecting. If in doubt check with the venue or don't use it.
