Broadband

The upgrade to the Shawbury exchange is scheduled for June 2014. We do not know whether BT are going to put additional cabinets in and if so where. If they decide to put one in the village it will make a huge difference to us all.

To influence their decision we need as many of us as possible to register an interest in getting BT Infinity.

The correct website to register is

<http://www.superfast-openreach.co.uk/expression-gen.aspx>

Please register and help us all benefit from faster broadband.
