ALL GOOD GIFTS...

Our church, school and care home harvest festivals across the three parishes for which I care will all fall on the first weekend in October. Harvest is, of course a time to give thanks to God for the crops that are safely gathered in and to praise him for all that comes our way. Not only that, but offering it back to God in thanks and recognition of the fact that ultimately all we have, even life itself, is a gift.

I was talking with people only the other day about how Stanton, Shawbury and Moreton Corbet have traditionally been farming villages but, these days, very few of us are directly involved in food production. My own limit has been growing a few tomato plants in our back garden this year (rather successfully, I might add).

However, we all have the ability to make or produce something – food, education, music, conversation, the list goes on... I'd love to encourage you to take the time to recognise this as a gift from God and to think about how you can give back to him, perhaps in the service of those less fortunate than you.

You are warmly invited to the harvest festival at St Andrew's on Sunday 3rd October at 9:30am. Donations of non-perishable food and toiletries will be forwarded to the food bank in St Mary's Church, Shawbury.

For weddings, baptisms and other matters, please contact our vicar, Reverend Rich Cresswell, on 01939 250990 or revrichcresswell@gmail.com to arrange to meet.

VILLAGE HALL HIRE
Now Available

Village Hall News

All are welcome to the Neighbourhood Natter events which are on the first Thursday of each month. Join us for a cuppa between 10.00 and 12.00 for an informal morning. See old friends again and meet some of our many newcomers to the village.

Once again the committee would respectfully ask that the parking areas at the village hall are not used unless you are attending a function or event there - it isn't a public car park. There have been two occasions recently when the mobile library has not been able to park. On one occasion people who had booked and paid for the hire of the hall had parking problems. Please be considerate.

Thanks

Lyn

Phone Scammer

We were called last night by a scammer at half past midnight claiming to be from the National Fraud Agency & saying that they had someone in custody in Shrewsbury who, on arrest, was in possession of our bank details. The scammers had our names and initials and claimed to also have our mobile numbers & to be were aware that there was a substantial sum of money in the account. I'm sure you can all see where this was leading.

Having reported this to the Police, they explained that this is a new tactic - calling when you will be asleep & therefore dis-orientated and hoping to catch you off-guard.

The Police are taking this seriously and we are reporting to our banks as well. Please spread the word & be aware of this new tactic. Please do report to the Police locally, action fraud & your bank if you are targeted.

STOP, HANG UP, Dial 159

If you get ANY unsolicited call from your bank, the Police or any figure of authority - STOP, HANG UP, Dial 159

159 is a new (Pilot) service that will connect you to your bank fraud department. The call you have just received will be a Scam call and you can report it. Please spread the word!

HMRC warns students of scams

HMRC is warning university students to be wary of potential scams, especially if they have a part-time job and are new to interacting with the department.

Nearly half of all tax scams offer fake tax refunds, which HMRC does not offer by SMS or email. The criminals involved are usually trying to steal money or personal information to sell on to others. HMRC is a familiar brand, which scammers abuse to add credibility to their scams.
