## NEWS FROM THE PARISH COUNCIL

For a current list of councillors please see page 5.

Please refer to the Parish Council website for details of Parish Council Meetings and Information: [www.stantonparishcouncil.org.uk](http://www.stantonparishcouncil.org.uk)

### Website

Please take a look at the Parish Council website, there are details available on the work of your council, your local councillors and other useful information. Please contact the Parish Council via the Clerk on any local matter – we might be able to help, if not, we can assist in finding the right person to deal with your query.

**Did You Know.....**that 100 years ago in December 1924—The last Rolls-Royce Silver Ghost is sold in London. British-German trade agreement signed. German election, Social Democrats win, Nazis & Communists lose, Adolf Hitler freed from jail early, having served only nine months of five-year sentence. Michael Hainisch re-elected Austrian president. Netherlands & Hungary trade treaty signed. Spanish troops leave Morocco. Albania becomes a republic and is declared a dictatorship under Ahmed Beg Zofu. The US signs a treaty with the Dominican Republic, which supersedes that of 1907; in July, the US had withdrawn its Marines and ended its occupation. Astronomer Edwin Hubble formally announces existence of other galactic systems at meeting of the American Astronomical Society. Italian Fascist Mussolini orders the suppression of opposition newspapers.

**CHRISTMAS SHOPPING**

No sooner has the threat of Black Friday passed, then we enter the full-on Christmas shopping period, and once again the criminals will want to tempt the unwary online with those "too good to be true" offers.

So, what are the options, face the crowds in the shopping malls, or relax at home and do the Christmas Shop online?

Whilst the internet is the first port of call for Christmas Gift bargains for many in terms of speed, convenience and savings, it also provides a great opportunity for Fraudsters to profit at your expense.

Even when you have been wary throughout the year with your online shopping, it can be so easy to be caught out in the heat of the moment in the rush up to Christmas when our minds are elsewhere, or just too busy to carry out a check to see if that "bargain" really is a bargain.

Also, beware of those Phishing emails claiming to be from genuine charities and playing on the season of goodwill. They may even display seemingly genuine logos for national charities, such as Red Cross or Salvation Army, but the charity will never see your money. So once again, it is safer to donate to that charity direct.

So always go directly to the chosen charity's website to donate, and always beware of door to door, and street collectors if they cannot show genuine identification for the actual charity.

Cont.. Therefore, once again, please make family members aware, particularly those in the vulnerable age groups. Especially be mindful when shopping on Social Media platforms, as this is by far the most likely medium for shopping and auction frauds to take place.

**HOW TO STAY SAFE**

So online shoppers are urged to protect their accounts. Do use secure payment methods to stay ahead of the threat from fraudsters who are particularly active with the build-up in Christmas shopping online.

- Protect your accounts: set up 2-step verification and use 3 Random Word passwords to prevent Cyber criminals gaining access to any of your accounts (see Three random words - NCSC.GOV.UK)
- Be wary about where you shop online – check out Online Retailers, especially ones you have not used before and make sure they are legitimate
- Don't pay for goods or services by bank transfer unless you know and trust the person. Payments via bank transfer may not offer you sufficient protection if you become a victim of fraud.
- Pay Securely: use a Credit Card when shopping online as most major Credit Card companies protect online purchases. Also using a Credit Card rather than a Debit Card means your main bank account will not be affected if your details are stolen.
- Whenever you pay always look for the "Closed Padlock" symbol in the web address bar showing your connection is secure
- Finally, Do not let Christmas come early for criminals and fraudsters
