A Very Happy New Year to You!

WHAT'S HAPPENING

Thank You

Thank you to everyone who came to support the Christmas Fair at the village hall. I hope you enjoyed yourselves.

A few more thank you's

Firstly to all the lovely stallholders and the pie van - so many lovely things! Hope to see you all again next year.

Thank you to everyone who kindly provided all the luscious cakes, mince pies and biscuits. Yet again, there was nothing left - the proceeds will go towards village hall funds, and are very much appreciated.

We were also helped this year by several very special people, who gave up their precious Sunday afternoon to help us out simply because they wanted to - we are so grateful and we couldn't have managed without you! So a massive thank you to Keith 'Santa' Renton, Andrew 'I'll soon fix that' Coote, Chris for being on the door, and Pete and Joan and Ruth and Mel for working behind the bar.

Lastly a HUGE thank you to the committee - Pete Brown, Jane Floyd, Catherine Lyth, Liz Grundey, Sam Edwards, Mechelle Moore and Shirley Barratt who work so hard all year round, and do it cheerfully to make these events a success - even when I'm nagging them!! I am SO proud of them all!!!

The Committee join me in thanking you for your support during 2023 and in wishing everyone a happy, healthy and peaceful new year.

Did You Know.....that 100 years ago in January 1924—Soviet Union founder & leader Vladimir Lenin dies of a stroke. Primary railway stations in Paris closed as the water level of the Seine rose due to flooding. Howard Carter and his work team discovered the stone sarcophagus of Pharaoh Tutankhamun. Germany issued an emergency decree abolishing the jury system and replacing with a mixed system of judges. France rejected a British-backed proposal to arrange a League of Nations committee to investigate separatism in the Rhineland. House of Commons endorsed a motion of no confidence against Prime Minister Stanley Baldwin and his government. 60,000 rail workers went on strike in the UK to protest a recent reduction in wages. Benny Hill born!

Seven Ways to Spot a Scam Website

In the first half of 2023, purchase scams rose by 43% year on year, and as we enter the peak shopping period of the year, the numbers are likely to grow further. But the good news is that many scam sites can be avoided if you know what to look for. Here are our seven tips on how to stay safe when shopping online.

1. Pay attention to the green/grey padlock

This small icon is found in the address bar and tells you whether the traffic between you and the website is encrypted.

2. Does the website have any contact methods listed?

A 'contact us' box on its own isn't good enough, as you won't know whether it works until you actually need to use it.

3. Check Companies House

If the website you're checking out has a UK company name and/or number stated anywhere, you can check it out on Companies House.

4. Read reviews

Online reviews of retailers on sites such as Trustpilot are an important weapon in your due diligence arsenal, but they come with a warning.

Cont....

Which? is campaigning to stop the scourge of fake reviews online, and it's vital to check whether a positive review seems legitimate.

5. Looks are everything (in this case)

While genuine retailers usually design their websites with great care and expense in order to set themselves apart from competitors, fake sites are often thrown together quickly with cheesy stock images and dummy or stolen text, with other crucial site elements missing.

6. Are you staring at a copycat site?

Scammers like to pass themselves off as genuine retailers, as well as financial firms and government services. So-called 'clone sites' designed to copy the real deal commonly crop up in sponsored results on search engines, which sit at the top of the page. They also frequently advertise on social media sites before we buy.

7. Prices that are too good to be true

Price comparison apps and sites have made it easier than ever to spot the cheapest online retailer for almost any item. But these services don't necessarily make sure the sites they serve up are genuine, so it's our job to be sure.
