Protect yourself from Holiday fraud

Don't let fraudsters trip you up this summer.

People looking to snap up online holiday deals ahead of the summer are being warned to stay extra alert and do their research before booking their getaways, as new data reveals victims lost a total of over £11 million to holiday fraud last year.

To protect yourself from holiday fraud search to check the travel company is legitimate, , especially if you have-n't used them before. Use consumer websites, or reviews from people (or organisations) that you trust.

Find out how to protect yourself from fraud: <https://stothinkfraud.campaign.gov.uk>

NEWS FROM THE VILLAGE HALL

Neighbourhood Natter

The next Neighbourhood Natter is on Thursday 6th March between 10.30 am and midday in the village hall. Coffee, tea, hot chocolate and biscuits for just £1 per person. This is a really friendly get-together, so if you haven't been before why not come along and join us.

A Plea

Could you help keep Stanton Village Hall going?

The AGM in April will see the remaining committee members stepping down after more than 6 years service. Could you help form a new committee?

Committee meetings are usually held every couple of months, in the evening and rarely last more than an hour. The hall is available for private hire, and we have also been organising a couple of social events a year - a quiz, a Christmas Fair - but we could do more (or fewer)

We are lucky to have such a great village hall and we don't want to lose it! The more committee members, the lighter the workload, so if you live in Stanton upon Hine Heath or High Hatton (or anywhere in between!) and you would be interested in being part of the future of the village hall please get in touch - lyn.2035@btinternet.com or 07588851858 or Messenger on Facebook .

Did You Know.....that 100 years ago in March 1925—The British government refuses to ratify the Geneva agreement. Socialists demand disarmament in the Netherlands, Male suffrage is recognised in Japan. The inauguration of President Coolidge is broadcasted live on 21 radio stations.. Great Tri-State Tornado tore across Southeast Missouri killing 695 people. and destroying 15,000 homes.

This week we are highlighting 2 fraud threats that are appearing both locally and nationally.

Digital Phone Line Upgrade

Criminals are posing as BT staff and phoning residents to ask them for their personal and payment details in order to upgrade their phone lines to the digital service. If you refuse to cooperate then they threaten to cut off your landline. They are also using emails with similar messages.

As with other frauds, the criminal will also add pressure by claiming the deadline is imminent, even though the deadline set up by BT is January 2027.

How to Stay Safe

- Ignore any requests for payments and financial information
- Your provider will never ask for money to upgrade to the digital service

Some providers are also employing door to door sales techniques to get residents to upgrade to their service. Please feel free to share these messages with any vulnerable friends, relatives or neighbours

Cont...

Always check their identity and if you are not sure, phone that company to check the representative is genuine. Also, never be pressured to make an instant decision on the doorstep

GWR "UK Annual Pass"

This potential fraud has been circulating for a while now, mainly on Facebook. The tempting offer is a "£3 Great Western Railway UK Annual Pass" which could give you unlimited travel around the country.

As with so many frauds, this does sound "too good to be true", and whilst the website you are directed too may look like an official GWR website, it has been confirmed that no such offer is available and should be ignored.
